

Terminator

Interconnect Series

Features :

- ◆ High Return Loss for UPC/APC polishes
- ◆ Plug type available with FC or SC connection
- ◆ Easy Installation & Maintenance
- ◆ Termination possible without use of index matching gels

Applications :

- ◆ Termination of dark fiber ports
- ◆ Bi-direction transmission systems
- ◆ Analog and CATV transmission systems
- ◆ High bit rate telecommunication systems

Performance Specification

Wavelength	1310nm and / or 1550nm	
Bandwidth	±40nm	
Operating Temperature	-40°C to +85°C	
Storage Temperature	-40°C to +85°C	
Return Loss	UPC Type	≥ 50dB
	APC Type	≥ 65dB

FC TYPE

SC TYPE
