### 2024 Business Report

#### I. Annual Summary and Future Outlook

In 2024, the global economy faced challenges such as geopolitical tensions, the U.S. presidential election, fluctuating Federal Reserve interest rates, and escalating U.S.-China technology conflicts, creating an environment of uncertainty for industries. Nevertheless, Jarllytec, leveraging its robust manufacturing management, exceptional R&D capabilities, and flexible market strategies, achieved strong growth. In 2024, our full-year revenue reached a historic high of NT\$9.578 billion, reflecting a year-on-year increase of 16.51%, successfully meeting the annual operational targets for all shareholders.

This year, Jarllytec saw growth across its three major product lines: 3C (consumer electronics), NB (notebooks), and LCD (liquid crystal displays). In the 3C segment, foldable smartphones benefited from continuous advancements in thinness, battery life, imaging, and crease reduction, driving increased market penetration. According to IDC, a research firm, shipments of foldable smartphones in China reached 9.17 million units in 2024, up 30.8% year-on-year. As one of the global leaders in supplying hinges for foldable smartphones, Jarllytec made breakthroughs in hinge durability, opening/closing feel, and crease control, deepening collaborations with major global smartphone brands. This propelled the 3C product line to a record-high revenue in 2024.

In the NB and LCD segments, growth was driven by a recovery in demand from both enterprise and consumer markets, the replacement cycle spurred by AI PCs, and accelerated orders from brand manufacturers due to shifting U.S.-China relations. Jarllytec capitalized on these trends, achieving steady growth in both product lines. According to TrendForce, global notebook shipments reached 176 million units in 2024, up approximately 5.5% year-on-year, while global LCD monitor shipments totaled 135 million units, up about 2.6%.

Looking ahead to 2025, foldable products will remain a cornerstone of Jarllytec's business strategy. The company will closely align with its clients' aggressive expansion in the global foldable market, capitalizing on the growing consumer trend of foldable product adoption. In the notebook and monitor segments, Jarllytec will leverage decades of deep R&D expertise to develop advanced hinge technologies for high-end notebooks and monitors, aiming to enhance product competitiveness, ride the AI PC replacement wave, and expand its customer base. Additionally, Jarllytec is committed to exploring emerging applications, including but not limited to foldable tablets, foldable notebooks, automotive hinges, and AR/VR devices, utilizing its precision hinge technology and manufacturing experience to provide optimal solutions and tap into diverse market opportunities.

While driving business growth, Jarllytec continues to actively address ESG (Environmental, Social, and Governance) issues and standards. In 2024, we conducted a comprehensive carbon footprint assessment across the group, significantly enhanced our sustainability report, and introduced green energy and energy-saving equipment to substantially reduce carbon emissions. Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and with the IFRSs, IASs, IFRC, SIC endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

## **Auditors' Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.

5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended December 31, 2024 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Hsu, Ming-Fang and Zhuang, Jun-Wei.

## 3. Inventory valuation

Please refer to Note 4(g) “Inventories”; Note 5(b) “Significant accounting assumptions and judgments, and major sources of estimation uncertainty”, and Note 6(e) “Inventories”.

Description of key audit matter:

Inventories are measured at the lower of cost and net realizable value in the financial statements. However, with the rapid development of the consumer market and the volatility of sales, that may result in the cost of inventory may exceed its net realizable value. Therefore, it has been identified as a key audit matter.

How the matter was addressed in our audit:

Our principal audit procedures included:

- (1) Examining the inventory aging report and analyzing the trends of inventory aging.

- (2) Evaluating the rationality of the provision policy and verifying the compliance of provision policy for inventory valuation.
- (3) Assessing the adequacy of the Company's disclosure for inventories.

### **Responsibilities of Management and Those Charged with Governance for the parent company only Financial Statements**

Management is responsible for the preparation and fair presentation of the parent company only financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and for such internal control as management determines is necessary to enable the preparation of **parent company only** financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including members of the Audit Committee) are responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Parent Company Only Financial Statements**

Our objectives are to obtain reasonable assurance about whether the parent company only financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the parent company only financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the parent company only financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

5. Evaluate the overall presentation, structure and content of the parent company only financial statements, including the disclosures, and whether the parent company only financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of the investment in other entities accounted for using the equity method to express an opinion on the parent company only financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the year ended December 31, 2023 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Hsu, Ming-Fang and Zhuang, Jun-Wei.
